

# El Cosmonauta en el barranco de agua

- **DO:** DOCa Rioja - Rioja Alavesa
- **Varieties:** 90% Malvasía y 10% Viura
- **The Plot:** The plot of Vasconegro is located just over 1 km E of Lanciego. It is planted in hillside at the top of the tableland forming the Viñaspre river. Planted by El Mozo in 1965 has in its top part 3000 m<sup>2</sup> of old malvasia.
- **Viticulture:** Viticulture based on minimal interaction in the vineyard and in a fully oriented grape quality care. The wine also is certified organic viticulture.
- **Wine making:** Manual vintage in little boxes and pressing at the entrance to cellar, from here the fermentation takes place in barrels on fine lees. The fermentation starts with the native yeast brings the grape. Following our philosophy of minimal interaction, wine was not corrected by any enológico product.
- **Production:** About 1.100 numbered bottles in vintage 2015
